Written Testimony

Bill 20 is an attempt to address our severe affordable housing shortage and homelessness problem. These problems are made worse by lack of enforcement against illegal vacation rentals. Without proper requirements for long term leases, and penalties EASY for the DPP to administer to those who use their ADUs as vacation rentals, this Bill will not achieve its intended impact. The ADUs will be used as vacation rentals, increasing congestion and taxing our sewer and other infrastructure with no relief for those unable to afford housing. Please amend this legislation.
